TO WHOM IT MAY CONCERN:

LETTER OF SUPPORT FOR
NEED TO READ

It is a privilege and honor for me to acknowledge the Need to Read initiative. During the past four years, many children that face poverty and hunger each day have found a zest for reading. In fact, many of the parents have started attending GED classes to improve on their reading abilities as well as attaining as much knowledge as they can to assist their children.

In order for Need to Read to continue, community support is greatly needed. Any support that you can give to this wonderful program will allow children's dreams of owning their personal books to continue.

Sincerely,

(Mrs.) Lou Landrum
Executive Director
